

NEWSLETTER

WELCOME TO THE AUTUMN 2022 EDITION OF THE CATCLIFFE PARISH COUNCIL NEWSLETTER. WE HOPE IT WILL BE OF INTEREST TO EVERYONE.

Autumn is the season to gather the bounties of summer and prepare for the winter. And a time to reflect on the closing year.

Our reflections would include the many changes to have taken place involving the council. There have been changes to councillors and staff. A major change made was the administration of the Memorial Hall. We are now sole trustees of the hall and responsible for running the trust and it's day to day management. An exciting change is the setting up of a Youth Club and a Toddler Group thanks to funding from the Lottery. We have been asked to provide this many times and worked hard seeking grants and options. We look forward to your support in this venture.

There has also been changes to the way we all live with regard to the increased cost of living, rising fuel and utility prices and a general downturn in the economy. We are trialling the provision of a 'warm hub' in the Meeting Room of the hall. Initially this will be on Wednesday mornings. So a chance to turn off your heating, come down for a warm, a chat with friends and neighbours over free cups of tea/coffee. We may even throw in a few biscuits. There will be books and other leisure items to pass the time. And there is always free WiFi.

We also look forward to our first ever Christmas Fayre on Saturday 3rd December.

We have plenty of evening activities. There is something for everyone to enjoy, make new friends and feel good about themselves. We have plenty of space for anyone wanting to run day time activities. There's no need to sit at home and be lonely.

Elsewhere other groups are forming positive bonds within the community. Residents are benefitting from better mental health and an interest in life. Dispel the winter gloom and join in with them. You know it makes sense.
